

## Mantoux Tuberculin Skin Testing

**Author:** Global Tuberculosis Institute at Rutgers The State University of New Jersey

**Publication Date:** 2004

**Country of Origin:** United States

**Format:** Teaching Guide/Training Curriculum

**Physical Description:** 85 p.: col., ill.; appendices, tables.

**Language:** English

### Abstract:

This training guide outlines the steps in planning and conducting a skin test training program. This resource is intended for educators and trainers who conduct skin test workshops for health care workers. The resource can be presented in the form of a skin testing training workshop or as an instruction to a single individual.
